March 24, 2011

TO: **Local Presidents**
FROM: **Barbara Keshishian, NJEA President**
RE: **NJEA Teaching & Learning Symposium**

The registration deadline for the 2011 NJEA Teaching & Learning Symposium is less than two weeks away so act now! The symposium will be held on **Saturday, April 16**, at the Wyndham Princeton Forrestal Hotel & Conference Center, Princeton. **Registrations will be accepted until April 1.**

Our keynote speaker is Dr. Heidi Hayes Jacobs, the Executive Director of the Curriculum Mapping Institute and President of Curriculum Designers, Inc. Dr. Hayes Jacobs is an internationally recognized expert in the fields of curriculum and instruction and has consulted on issues and practices regarding curriculum mapping, dynamic instruction, and 21st century strategic planning. **This symposium is a great resource for school district leaders since all New Jersey school districts are required to implement the Core Common Standards and rewrite curriculum by 2014.**

In addition, there are **seven workshops to enhance your members' professional learning in the fields of technology, curriculum, and increasing student achievement.** Participants can choose a morning and afternoon workshop.

Please refer to [this flier](#) for conference details. Be sure to make copies of the flier for your members and share with your district administrators as well.

Thank you in advance for your assistance in helping to meet the professional needs of our members.
